

School History

Integrity Tabernacle Christian Academy (ITCA) is an accredited K-12 school, affiliated with the Association of Christian Teachers and Schools (ACTS). Our school was born from the need of concerned parents at ICM Tabernacle Church who were desperate to find affordable alternative Christian education for their children, as the morality in our society disappears and the content of public education becomes increasingly unacceptable and contrary to the Christian faith.

ITCA was established in 2016 by associate pastors, Alex and Maribel Figueroa, under the sponsorship of ICM Tabernacle Church. After extensive research and training, we chose the ACTS model as the best option for our school. Today, our students and staff are thriving. God has truly blessed us.

Our mission is to educate with the Truth, operating under the principles of Integrity, Security, Excellence and Efficiency. Our objective is to create a “Safe Place” where our students can flourish and parents can be assured that their children are in very good hands. We believe that pursuing and achieving excellence is an obligation. We see that in Colossians 3:23 – “And whatever you do, do it heartily, as to the Lord and not to men.
